Certification

Please read the certification statement carefully before signing.

I certify under penalty of law that all stormwater discharges associated with industrial activity from the identified facility that are authorized by a NPDES General Permit have been eliminated or that I am no longer the operator of the facility. I understand that by **submitting this Notice of Termination, I am no longer authorized to discharge stormwater associated with industrial activity under this general permit, and that discharging pollutants in stormwater associated with industrial activity to waters of the United States is unlawful under the Clean Water Act where the discharge is not authorized by a NPDES permit. I also understand that the submittal of this Notice of Termination does not release an operator from liability for any violations of this permit or the Clean Water Act.**

Instructions for Completing the Notice of Termination Form

Who May File a Notice of Termination (NOT) Form:

Permit registrants who are presently covered under an Oregon Department of Environmental Quality (DEQ) NPDES Industrial Stormwater Discharge General Permit Nos. 1200-Z, 1200-COLS or 1200-A may submit this form when their facilities no longer have any stormwater discharges associated with industrial activity as defined in the stormwater regulations at 40 CFR 122.26(b)(14), or when they are no longer the operator of the facility.

Section I: Facility Operator Information:

Give the legal name of the person, firm, public organization, or any other entity that operates the facility or site described in this application. The name of the operator may or may not be the same name as the facility. The operator of the facility is the legal entity, which controls the facility's operation, rather than the plant or site manager. Do not use a colloquial name. Enter the complete address and telephone number of the operator. Enter the existing NPDES Stormwater General Permit number (e.g. 1200-Z, 1200-COLS or 1200-A) and the DEQ File number provided to the facility when you registered for coverage under the permit. The DEQ file number can be found on the first page of your permit. If you do not know the permit or file number, contact DEQ regional office or DEQ Agents (see contact information below).

Section II: Facility/Site Location Information:

Enter the facility's or site's official or legal name and complete address, including city, state and ZIP code.

Section III: Reason for submitting this Notice of Termination:

- If there has been a change of operator and you are no longer the operator of the facility or site, check the corresponding box.
- If all stormwater discharges associated with industrial activities at the facility or site have been eliminated, check the corresponding box.
- If there is another reason for termination of the permit please enter a brief description of this reason. If additional space is needed please include it in a letter attached to this submission.

Section IV Certification:

Federal statutes provide for severe penalties for submitting false information on this application form. Federal regulations require this application to be signed as follows:

- For a corporation: by a responsible corporate officer, which means (I) president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any other person who performs similar policy or decision making functions, or (II) the manager of one or more manufacturing, production or operating facilities employing more than 250 persons or having gross annual sales or expenditures exceeding \$25 million (in second-quarter 1980 dollars) if authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures; or
- For a partnership or sole proprietorship: by a general partner or the proprietor; or
- For a municipality, State, Federal, or other public facility: by either a principal executive officer or ranking elected official.
